

SALON BE

Scripts and Interview Questions

Four videos for the first block.

Shoot: Thursday 8 October

Salon Be, 54 Holmwood Road, Merivale

What is in this document

- Video 1: Promo. Scripted. Ibrahim leads, Behooz closes.
- Video 2: Sit-down interview. Ibrahim and the team.
- Video 3: Client testimonial. A recent client.
- Video 4: Client testimonial. Sandy, the long-term client.

Two things to fill in before Thursday: Behooz's specialty (Video 1) and his one line to camera. Everything else is ready to shoot.

Video 1: Promo

About 40 seconds. Ibrahim on camera, short sentences, full stops. Behooz closes. Salon sound under it, music rises for the end card.

IBRAHIM: Six years ago, I opened a salon in Merivale. Right here in Christchurch.

(Quick cuts: foils going in, scissors, a blow dryer, a client laughing in the chair.)

IBRAHIM: Since then, we've helped hundreds of clients look and feel their best. Personalised hair care. Styling. A premium experience.

IBRAHIM: With 4.9 stars on Google, every stylist has over thirty years of experience.

IBRAHIM: Like Behooz. He specialises in [specialty].

(Behooz finishes a blow wave. The client flicks her hair. He turns to camera.)

BEHOOZ: And... [one line, in his own words, that adds to what he does]

IBRAHIM: We offer the full range of hairdressing services. Colour, cuts, keratin, blow waves, and many more.

IBRAHIM: Most importantly, we walk you through it. Step by step.

IBRAHIM: Call us. Message us. Or book online.

IBRAHIM: See you here.

On screen at the end: Salon Be, 54 Holmwood Road, Merivale. Call, message, or book at salonbe.co.nz

To confirm: Behooz's specialty in one or two words. The phone number for the end card. That the Google rating is 4.9 on the day.

Video 2: Sit-down interview

Seated, one at a time, same chair and background. Ibrahim first, then Behooz, then the rest of the team.

Ask people to answer in full sentences. For example "I opened Salon Be because...", not just "because...". It lets us use the answer without the question.
